ABOUT THIS COURSE

This competency applies to persons who are required to conduct work activities under the authority of an issued permit to work and within the context and requirements of that permit. This typically applies to all work done by maintenance staff and contractors, and also to any other non-process work performed on the plant.

PREREQUISITES

There are no prerequisites for this course.

WHAT WILL I STUDY?

This course will cover the theory and practical functions involved with participating in a permit work party. The main topics that will be covered include:

- Applying for a permit
- Identifying the scope of the permit
- Preparing for permitted work
- How to work in accordance with an issued permit
- Completing permit(s) to work

ASSESSMENT

Participants will undertake a theory assessment and practical assessments in the form of exercises conducted throughout the course. The theory assessment assesses whether each participant has adequate underlying knowledge to successfully work in accordance with an issued permit. The practical assessments assesses whether each participant has the requisite skills to be deemed as competent in working in accordance with an issued permit.

WHAT MATERIALS/EQUIPMENT DO I REQUIRE?

Workbooks, study guides and other learning material will be included within the course.

COURSE OUTCOME

On successful completion of assessment, a nationally recognised Statement of Attainment will be issued by Broadspectrum Training Services under the competency MSMPER200 Work in Accordance with an Issued Permit and also the current Wellsite Work in accordance with an issued permit card.
