A: 371 Taylor Street  
Toowoomba QLD 4350

## ABOUT THIS QUALIFICATION

This qualification reflects the role of employees such as drillers. It is aimed at people who work in roles within the minerals/hard rock drilling industry.

Candidates at this level perform tasks involving a broad range of skilled applications applied in a wide variety of contexts, which may involve application of some discretion and judgement in selecting equipment, services or contingency measures.

## QUALIFICATION STRUCTURE

To be awarded a Certificate III in Drilling Operations, personnel will need to successfully complete thirteen (13) units of competency made up of eight (8) core and five (5) elective units.

### Core Units of Competency

- BSBWHS301 – Maintain workplace safety
- MSAPMSUP172A – Identify and minimize environmental hazards
- RIIBEF301D – Run on-site operations
- RIICOM201D – Communicate in the workplace
- RIINHB301D – Set up and prepare for drilling operations
- RIIRIS301D – Apply risk management processes
- RIISAM209D – Carry out operational maintenance
- TAEDEL301A – Provide work skill instruction

### Elective Units of Competency

- RIIBHD304D – Conduct air drilling
- RIIBHD305D – Conduct down-hole hammer drilling
- RIIEERR302D – Respond to local emergencies and incidents
- RIQUA201D – Maintain and monitor site quality standards
- RIICOM301D – Communicate information

## ASSESSMENT

Students will be assessed to confirm competence using a combination of online knowledge based assessment, practical assessment in the workplace, and assessment of work samples/document portfolio.

## WHAT MATERIALS/EQUIPMENT DO I REQUIRE?

Students will be provided with access to an online Learner App where they can view and complete assessments and submit evidence. Workplace environment and opportunities for assessment will be provided by the student's employer.

## COURSE OUTCOME

On successful completion of all assessments, a nationally recognised Qualification RII31815 – Certificate III in Drilling Operations will be awarded. A Statement of Results will also be issued by Broadspectrum Training Services outlining the specific units of competency completed to form the qualification.

## DURATION AND COMPLETION

Students have a period of 12 months from the date of enrolment to complete the requirements of the qualification.

Where candidates exit the qualification before full completion, they will be issued a Statement of Results showing individual units they have obtained.

Quotation provided upon request.

## VENUE AND DELIVERY METHOD

Delivery of this qualification is facilitated online and in the workplace anywhere across Australia.
