- RIIWHS204D – Work safely at heights
- RIIOGD205D – Support blow out prevention operations
- PMASUP236B – Operate Vehicles in the Field
- RIIOGD301E – conduct and maintain derrick operations

## ASSESSMENT

Students will be assessed to confirm competence using a combination of knowledge based assessment, practical activities and assessments in the workplace.

## WHAT MATERIALS/EQUIPMENT DO I REQUIRE?

Students will be provided with access to all learning resources. Suitable workplace assessment environments are to be provided by the student's employer.

## COURSE OUTCOME

On successful completion of all assessments, a nationally recognised Qualification in RII32015 Certificate III in Drilling Oil & Gas (On Shore) will be awarded. A Statement of Results will also be issued by Broadspectrum Training Services outlining the specific units of competency completed to form the qualification.

## DURATION, DELIVERY METHOD, PARTICIPANTS AND PRICE

Students have a period of 12 months from the date of enrolment to complete the requirements of the qualification. Where students have not successfully completed all of the requirements for the qualification, a Statement of Results will be provided upon exiting the qualification.

Delivery of this qualification incorporates online learning, face to face delivery, workplace delivery and assessment.

Quotation provided upon request.

## COURSE VENUE

Broadspectrum Training delivers this qualification using a combination of in house face-face training and workplace based delivery.
