ABOUT THIS QUALIFICATION

This qualification reflects the role of a supervisor in a drilling operation. The tasks performed involve a high level of autonomy and require the application of significant judgement in planning and determining the selection of equipment/roles/techniques for themselves and others. They are required to demonstrate the application of a broad range of technical, managerial, coordination and planning skills.

QUALIFICATION STRUCTURE

To be awarded a Diploma of Drilling Oil & Gas (On shore) personnel will need to successfully complete 11 units of competency made up of six core and five elective units.

Core Units of Competency

- RIIBEF401D – Manage non-routine, complex technical situations
- RIIOGD501E – Manage rig operations
- RIIOGD502D – Plan and evaluate rig operations
- RIIOGD504D – Manage drilling operations
- RIIOGD505D – Manage drilling induction and orientation
- RIISAM502D – Manage general drilling equipment maintenance

Elective Units of Competency

- RIIOGD506D – Manage rig move and camp move
- RIIOGD507D – manage and monitor rig up and rig down to spud operations
- RIENV501D – Implement and maintain environmental management plan
- RIIGOV501D – Identify, implement and maintain legal compliance requirements
- RIIRIS501D – Implement and maintain management system to control risk

ASSESSMENT

Students will be assessed to confirm competence using a combination of knowledge based assessment, practical activities and assessments in the workplace.

WHAT MATERIALS/EQUIPMENT DO I REQUIRE?

Students will be provided with access to all learning resources. Suitable workplace assessment environments are to be provided by the student's employer.

COURSE OUTCOME

On successful completion of all assessments, a nationally recognised Qualification in RII50815 Diploma of Drilling Oil/Gas (On Shore) will be awarded. A Statement of Results will also be issued by Broadspectrum Training Services outlining the specific units of competency completed to form the qualification.

DURATION, DELIVERY METHOD, PARTICIPANTS AND PRICE

Students have a period of 12 months from the date of enrolment to complete the requirements of the qualification. Where students have not successfully completed all of the requirements for the qualification, a Statement of Results will be provided upon exiting the qualification.

Delivery of this qualification incorporates online learning, face to face delivery, workplace delivery and assessment.

Quotation provided upon request.

COURSE VENUE

Broadspectrum Training delivers this qualification using a combination of in house face-face training and workplace based delivery.
